

2. ISO 9001 – Quality Management System Policy

Policy Number: QMS-001

Purpose: Ensure consistent program quality, promote continuous improvement, and build trust with partners, donors, and beneficiaries.

Scope: All program delivery processes, staff, and operations.

Responsibilities:

- **Quality Manager:** Implement process improvements, conduct audits.
- **Staff & Volunteers:** Follow procedures and report deviations.

Procedures & Key Elements:

- **Documented Procedures:** Maintain clear documentation for all processes.
- **Process Improvement:** Identify inefficiencies and implement corrective actions.
- **Audits:** Conduct regular internal and external audits to measure compliance.
- **Feedback Mechanism:** Collect and act on beneficiary and partner feedback.

Compliance & Monitoring:

- Key performance indicators (KPIs) for program delivery quality.
- Annual external ISO 9001 certification audits.

References: ISO 9001:2015 Standard

Review & Approval: Reviewed annually by the Quality Assurance Committee.
